I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on July 22, 2003.

Roger T. Frost - Reg. No. 22,176

The undersigned attorney for applicant in the patent application identified above here petitions for withdrawal of the Notice of Abandonment in that application. This petition is submitted pursuant to MPEP 711.03(b) and is accompanied by the petition fee set forth in 37 C.F.R. 1.17(h).

It appears the Office issued that Notice after the applicant failed to respond to a Notice of Missing Parts mailed February 23, 2001. However, the undersigned did not receive that Notice of Missing Parts nor the Notice of Abandonment and first learned of their existence through a telephone call to the Office on July 17, 2003.

The undersigned has initiated a search of the patent docket records maintained by the law firm of which the undersigned is a partner. That search produced no indication that the February 23, 2001 Notice, a Notice of Abandonment, or any other Office action was received. A copy of the docket record prepared from the aforementioned search of docket records is enclosed herewith.

Docket entries are not entered on file jackets maintained by the undersigned's law firm, and for that reason a copy of the file jacket for the present application is not submitted. However, the undersigned has search the file jacket of the aforementioned application and has not located the Notice of Missing Parts mailed February 23, 2001 or a Notice of Abandonment. The undersigned thereby avers that the aforementioned Office communications were not received.

The undersigned on or about July 1, 2001 moved to the new address stated hereinabove. The former mailing address, as given to the Office on the transmittal letter (PTO-1390) submitted to the Office with this application, was correct on February 23, 2001 and for several months thereafter.

Application No.: 09/743,003
Petition to Withdraw Abandonment

Accordingly, the undersigned respectfully submits it has established non-receipt of the Office action mentioned above, and requests the Office to withdraw the Notice of Abandonment and to remail the Notice of Missing Parts, setting a new time for response.

Respectfully submitted,

Roger T. Frost
